

## Day 1 Step I

Item	Description
1	Heavens
2	Earth & deep water

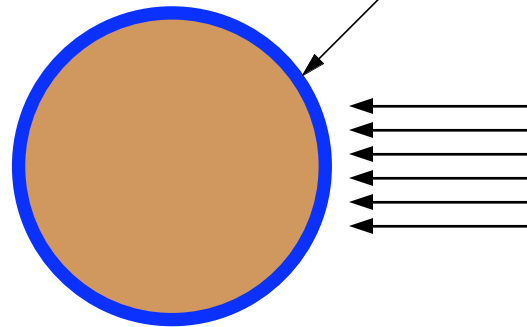

### Genesis Notes:

- Heavens and the earth
- "The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters."

### Observations:

- Water covered the face of the earth.
- There is no land or atmosphere.
- The outer face of the water was against the extreme cold of outer space; therefor at least the outer surface would begin freezing and expanding.

## Step II

Item	Description
1	Heavens
2	Earth & deep water
3	Light from one side

### Genesis Notes:

- "Let there be light"
- Light/Darkness, Day/Night

### Observations:

- There is light, however, there is no source for that light other than from God.
